

## Twin County Humane Society Spay/Neuter Assistance Application

For the Counties of Carroll and Grayson and the City of Galax.

The Twin County Humane Society provides some financial assistance for dog and cat spays and neuters. Assistance is limited to two surgeries per family per year. Assistance is provided on a financial need basis. If you are accepted for assistance, you will be notified and a T.C.H.S. representative will telephone your veterinarian. It is the responsibility of the pet owner to make appointments with the veterinarian in a timely manner. We ask that families with a total income of **over \$30,000 not apply to this program.** If you feel your case is exceptional, please explain in a letter attached to this application, the Twin County Humane Society Board will review these requests on a monthly basis. Are you using another source for aid for this spay or neuter? Please attach a note explaining why you also need to use our program.
